To all our fraternal parties within the Communist, Marxist-Leninist Movement in the world

7 / 11 / 88

Dear Comrades !

We are glad to inform you about our 7 th Congress which will be realized from 27th to 30th of December 1988.

According to our statute there will be a Congress every third year. Our party holds the Congress in narrow bounds because of the destructive consequences of the crisis some years ago which was caused - as you know - by the trotskyist-revisionist renegade and liquidator Horst-Dieter Koch.

At latest we condemned him with our 6 th Congress in January 1986. Since then we reorganized and consolidated the KPD on the old marxist-leninist foundations and programm. The period of overwhelming the party crisis is officially finished by the 7.th Congress. Today all our fraternal parties are looking upon our party which develops in words as well in facts on the old genuine revolutionary marxist-leninist political

line. Within some years we proofed that we are able to mend our mistakes and that we continue our revolutionary class-struggle within the working class-movement.

**Our** central-comitee consists continuessly of a proletarian majority and this is an important guarantee that our party remains in the hands of the working class.

The 7 th Congress has a great historical background. We celebrate the 70 th anniversary of the KPD Rosa Luxemburgs Karl Liebknechts und Ernst Thälmanns. Moreover we celebrate the 20th anniversary of the KPD (formerly KPD/ML) of Comrade Ernst Aust who died 25th of August, 1985.

We would be very pleased if you mentioned the anniversary in one of the next numbers of your central organ. Since some numbers ago we published a series in our ROTER MORGEN.

The 7 th Congress holds upright the tradition of the KPD and declares to continue it honourable.

The 7 th Congress develops perspectives for the future tasks which are concentrated in the anchoring the party within the working.class.

Finally we want to declare our unity with the Communist Marxist-Leninist Movement in the world. We try to strengthen and support all our fraternal parties with our little forces. We defend the socialist Albania and the Party of Labour with Comrade Ramiz Alia on the head.

We would be glad to receive your message of solidarity to the following adress:
